Learning outcomes

- I can understand how a class at Lingoda works.
- I can talk about my experience of learning English.

Let's start!

Complete the tech checklist below to ensure you are prepared to start your online English class.

- 1 Are you in a quiet room? It's important that your teacher and classmates can hear you clearly.
- 2 Check that your internet connection is stable.
- 3 Make sure your camera is on so that your teacher and classmates can see you.
- 4 Is your microphone plugged in correctly?
- 5 Do you know how to type and share your answers with your teacher and classmates? Try typing 'hello' in the chat!

Oh no! Have you tried ...?

- ...isn't working
- ... is off / on
- I can't...
- I'm not able to...

**Michael, you're *on mute!*
I can't hear you.**

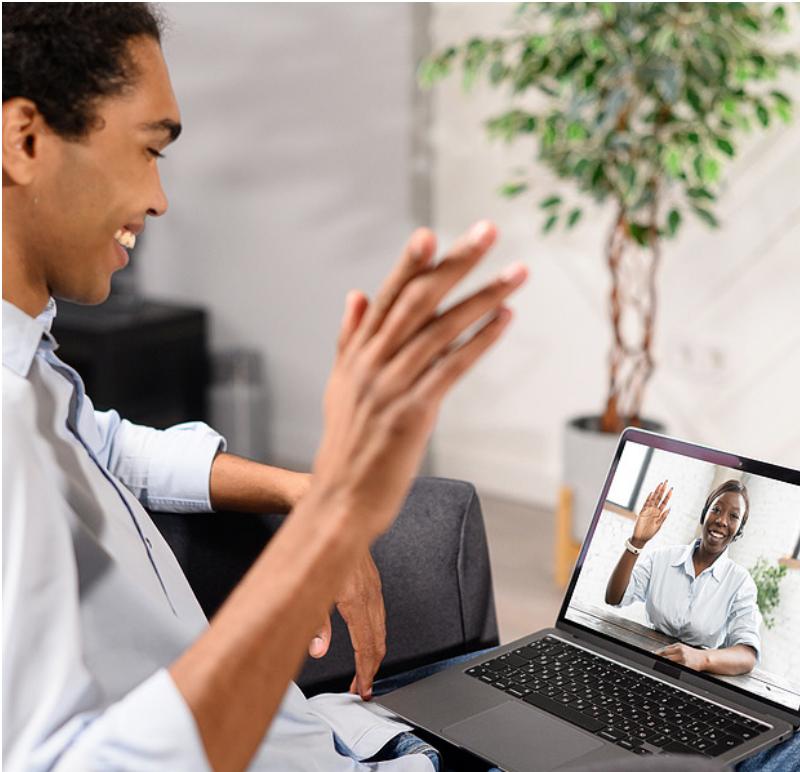

Our lessons have **real-life language** like this.

These are examples of **everyday English**.

On mute means to have your sound off.

Breakout rooms

This is the **breakout room symbol**.

A breakout room is a **separate room** within the classroom.

Practise your English in smaller groups.

How often do you...?

1. **Make notes** on how often you do 1-5.
2. **Interview** a partner in a breakout room. **Note down** their answers.
3. **Share** your differences with the rest of the class.

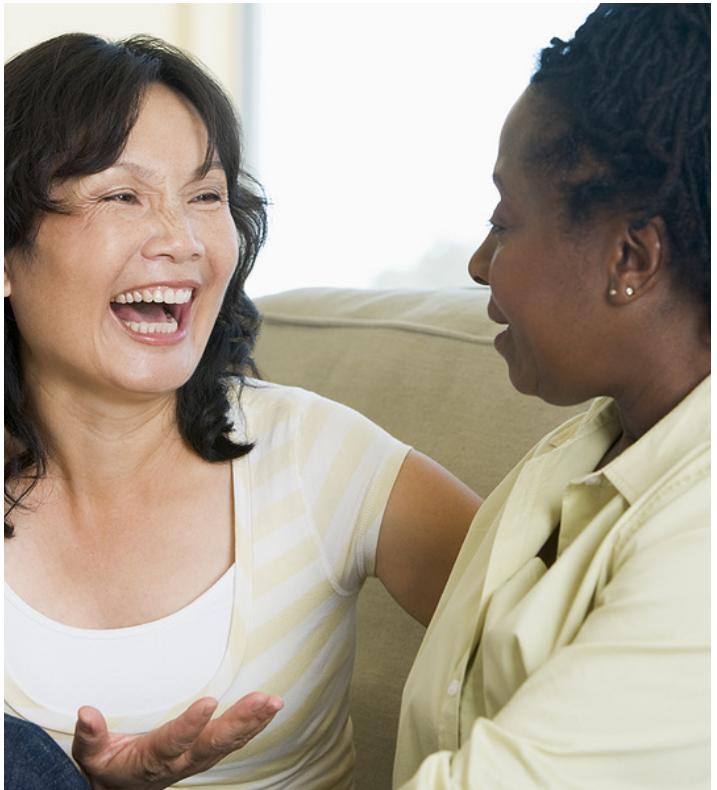

1 Read articles online in English?

2 Speak English at work?

3 Listen to music in English?

4 Watch films or TV programmes in English?

5 Use English outside of work?

Complete the sentences for you
